

# MAXUMLITE®

*The workhorse material you can count on everyday.*

## DURABILITY

Current Maxum-Lite® users suggest it outwears blown rubber soling 3-1 with much improved shock absorption to “boot”.

## FORM

Can be molded in either net-fit or blocker units and all materials can be static dissipative.

APPLICABLE TO  
MIDSOLES  
AND OUTSOLES

## WEATHER

Ideal for a wide range of environments: Hot, humid & extreme cold
