

PŪR-BIO™

● GREEN

With PŪR-Bio™, an innovative and sustainable sole solution, Meramec is committed to creating a negative impact on the environment.

● PRODUCTION

PŪR-Bio™ is Meramec's family of molded footwear products utilizing our proprietary Variable Biomass Oil (VBO) derived from renewable carbon sources.

● CERTIFIED

PŪR-Bio™ can be formulated to earn the U.S. Department of Agriculture (USDA) Certified S Product Label under their Bio Preferred Program.

● AVAILABILITY

PŪR-Bio™ will be offered in select formulations in China, USA, and Dominican Republic.
